Title: New Bylaws for College-Specific Senators.

Purpose: This resolution outlines additional requirements to be fulfilled by the college-specific Senators. These altered by-laws reflect the evolving needs and changes of the newly formed College-specific Senator positions.

Text:

Section 1: Article XXVI: Requirements of Voting Senators section 1, a new by-law shall be added following subsection F that shall state, **“The members of the Committee on Academics shall meet with their respective deans twice a semester to discuss the state of current academic affairs and formulate opportunities for collaboration between the student representative and their respective academic constituency.”**

Section 2: Article XXVI: Requirements for Voting Senator section 1, a new by-law shall be added following proposed subsection G that shall state, **“Each college-specific Senator shall attend a student advisory board/council meeting per their respective college at least twice a semester and report relevant points of discussion to Senate.”**
