Discussion Topics

Nancy Keller and Sodexo/food issues at Gonzaga

- Issues with bottled water
 - How do we make water accessible for people?
 - Map out water locations? Or maybe reconsider if we should offer bottled water
 - Talk with senate about water issue
 - Undergraduate email about water accessibility on campus
- Meal Plans
 - Extra flex appreciated
 - Donate swipes or flex, determine limits on unlimited plans (may be able to round up costs to donate extra money)
 - Donate extra foods
 - Get emails to Nancy Keller, especially so meal plans can be set by Oct. 15
 - Main concern is freshman and sophomore required

- Make loyalty plan more accessible
- Late night option with swipes
 - Problem: all people would need to swipe rather than fully accessible when paying for food
- Pick three options in Kennedy and Barneys (Coughlin)
- Crosby café issues and late night dining (COG versus other options), also shoestring catering discussion
