 5. New month, everyone needs to come to Senate meeting in next 30 days
- iii. Treasurer
1. Campus Climate
 - a. Some power for what goes into events
 - b. Perspectives of administrators/staff
 - c. Working with Anna on funding for Green Fund Projects
 2. Divesting; could make a difference if we invest in socially responsible areas. Connected with president of endowment right now.
 3. Phone conference with Nanda (director of analytics, @ Nike). Because Amazon likes to hire from us, maybe a free web service. Utilize that and excel for data analytics class.
- iv. Chief of Staff
1. Campus Climate
 - a. Holding everyone accountable to what they say in end of month report about how they will use their position to address particular issues and serve their community; positive reinforcement
 - b. Planning retreats: time/space to target particular issues/aspects of the results
 - i. Speakers or activities from our own organization talk about realities of our climate result (Title IX training, bias with political ideology etc., staff recognition)
 - c. Filling vacant positions; during interviews, certain people have brought up the results and resolutions they would want to work towards in response. Looking for a couple more positions, see who might also fit that mold of bettering all students experience.
 2. Filled all senator positions but one...
 3. Halloween party was fun

4. Highway clean-up; is that something we want to continue or put our efforts towards serving our community elsewhere?
 - a. Working with high school ASB programs
5. Start looking for elections commissioner soon
- v. Director of Finance
 1. Working with clubs (11)
 2. Campus Climate:
 - a. Treating every club the exact same; be more unbiased
