There are ten months during the academic year of 2017-2018 for general clubs and sports clubs to request funds for events and resources. This bill proposes to allocate funding to clubs. Club funding total and purpose are outlined below:

Text:

Section 1: Whereas, according to the GSBA Bylaws Article XXVI Section 13B, the Senate Committee on Finance is “responsible for all financial matters pertaining to the campus as a whole”.

Section 2: Whereas, according to Article VII Section 7 of the GSBA Constitution, “All allocations and appropriations to student clubs and organizations shall first be considered by the Committee on Finance. Individual appropriations bills shall be reported on favorably or negatively by the Committee on Finance to the full Senate... All appropriations bills one-half of one percent or greater (0.5%) shall be passed using standard Senate procedure.”

Section 3: Whereas, the Committee on Finance aims to satisfy club funding requests for events and resources that benefit the Gonzaga community.

Section 4: Therefore, be it enacted that \$3,000.00 (Materials Advantage Club) is allocated towards general clubs.

President

1. The competition is a four day event that has multiple categories to compete in. We will be competing in group A which is the carbon fiber I-beam building the competition. We would like to purchase 5 round-trip plane tickets to and from the competition (annual SAMPE competition for Materials and Process Engineering), 3 from the SeaTac Airport and 2 from San Francisco all flying into Los Angeles. We are staying a total of 2 nights in Long Beach, California and would like to get 3 hotel rooms for those two nights at a hotel close to the Long Beach Convention Center. We would be flying into Los Angeles airport so we would also potentially need a rental car/ Uber/ taxi etc from the airport to Convention center.
